Felita and Eric,

Thank you so much for including me in the conversation regarding the Choto Landing development. I want to confirm that Knox County has earmarked \$1,000,000 of its HOME funds for the Choto Landing project. As soon as we receive confirmation that the development has received the requested bond and tax credit allocation, we can proceed with complying with the remaining HOME requirements and proceed towards entering into a written contract.

As I mentioned, Knox County is very excited about this project, and we appreciate your consideration of DGA Choto LP's LHC application. Please let me know if you have any questions or I can provide additional information.
